lib-web-cats (library web sites and catalogs) is a directory of libraries worldwide. While the majority of the current listings are in North America, the numbers of libraries represented in other parts of the globe is growing. Each listing includes links to the library's website and online catalog. Other information available includes the geographic location, address, library type, current and previous library automation systems used, and the size of the library's collection.

The [Advanced Search Page](#) provides a powerful set of tools for identifying libraries in the lib-web-cats directory. Search

The eagle of the Twelfth by Scott, Manda

Publication: London : Bantam, 2012 . 400 p. : 24 cm.
Date: 2012

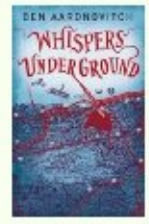

Emperor and Generals are mixed very well in this story where fact and fiction are well bound together. People who enjoy reading of the First century A.D.will enjoy this book. Added 27/10/2012 by Paeroa Library Readers

Whispers under ground by Aaronovitch, Ben.

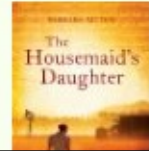

Publication: London : Gollancz, 2012 . 418 p. ; 22 cm.
Date: 2012

Strange, to say the least. At the same time it was funny,sad,mysterious & unlike anything I have read before. It was quite enjoyable & a bit different. I would read the author's books again Added 27/10/2012 by Paeroa Library Readers

The housemaid's daughter by Mutch, Barbara.

Research methodology in the medical and biological sciences /

by [Laake, Petter \[ed.\]](#); [Benestad, Haakon Breien \[ed.\]](#); [Olsen, Bjørn Reino \[ed.\]](#).

Publisher: Amsterdam ; ; Boston : Elsevier/AP, c2007

Description: xxv, 483 p. : ill. ; 23 cm .

ISBN: 9780123738745; 0123738741.

Uniform titles: [Forskningsmetode i medisin og biofag. English .](#)

Subject(s): [Biomedical Research -- methods](#) | [Biology](#) | [Biomedical Research -- ethics](#) | [Biomedical Research -- organization & administration](#) | [Research Design](#)

Summary: Providing easy-to-access information, this unique sourcebook covers the wide range of topics that a researcher must be familiar with in order to become a successful experimental scientist. Perfect for aspiring as well as practicing professionals in the medical and biological sciences it discusses a broad range of topics that are common, yet not traditionally considered part of formal curricula. The information presented also facilitates communication across conventional disciplinary boundaries, in line with the increasingly multidisciplinary nature of modern research projects.

End of Year book returns

The end of the school year is rapidly approaching and it's time to return your textbooks. Textbooks need to be returned to the library before TUESDAY 6th NOVEMBER. If you need to retain a textbook for study, please ask library staff for an extension. The Library will be open until mid-December, so if you're returning to school next year, you're welcome to take library books, magazines and DVDs out over the Summer. Or why not try taking out an EBOOK?
